

Dae' Stanii Spackman

WEB DEVELOPER

EXECUTIVE SUMMARY

I recently graduated from a full stack web development bootcamp through the University of Utah and can't wait to begin my career in the field. As an artist and developer, I bring a unique and artistic viewpoint to front end development and am eager to learn as much as I can.

CAREER HIGHLIGHTS

Planet Utah 2018 Award Recipient

Marriott Award of Excellence

I was given this award by a nomination from my assistant and general managers due to customer service excellence, my part in organizing volunteer opportunities and a desire to reduce food waste and donate leftover food to local shelters.
